### AUDIENCE

Master presenter Gerald Pauschmann shares his expert skills in public speaking and presenting.

This training course is perfect for those with experience in presenting or who want to improve their communication delivery style and the impact of their business presentations.

*“To be honest I don’t know if I could suggest any improvements, my team and myself are still talking about what we learned”.*

### COURSE DETAILS

Gerald has over 20 years’ experience in creating custom soft skills training programs for companies in diverse industry sectors, including healthcare, local government, construction, financial services and state and federal government sectors.

### SHORT COURSE TOPICS

- **Projection**  
voice, pace and projection  
body language and movement
- **Posture**  
body language and movement  
personal mannerisms
- **Pace, Projection and Posture**  
practice using pace, projection and posture in our presentation
- **Preparation Key Tips**  
setting objectives
- **Performance - Interaction and Control**  
interacting with the audience  
maintaining control during the presentation
- **Presentation**  
preparation and deliver work related presentation

### LEARNING OUTCOMES

By the end of this one day presentation skills course, participants will have:

- Practised projecting and varying the pitch, pace and tone of their voice to gain and retain audience interest and reinforce the presentation messages
- Use posture and movement to give additional impact to verbal messages rather than distract or irritate the audience
- Review how to prepare presentations and visual aids to be interesting, persuasive and to communicate key messages
- Identify the best ways to interact with the audience.

Duration and Location

Our standard structure for this course is 1 day but can be customised to suit. Our program can be delivered in any metropolitan or regional area of Queensland. Customisation is available to suit specific requirements.
